Dear Sir or Madam,

The Saginaw Conservation District would like to thank you for your monetary contribution. *Per IRS requirements*, no goods or services were provided in exchange for this contribution, of course, other than the joy of giving to an organization that supports natural resource conservation and outdoor recreation.

The Michigan Department of Treasury declares “a Michigan Conservation District to be an entity of government,” and as such, “Charitable contributions to governmental units are tax-deductible under section 170(c)(1) of the Internal Revenue Code”; our EIN number is 38-1895337 for your filing purposes.

We would like you to know, unless otherwise requested, ONLINE donations will not be included in materials highlighting our donators, partners, or sponsors. If you would like your name, family name or company to be publicly recognized, please email us the appropriate contact info to go with your donation. It is in our policy to issue donation receipts to parties donating \$100 or more for the year following the month of December.

Thank you again,

Nadene D. Berthiaume,
District Administrator

Your local providers of natural resource management services to help our citizens conserve their lands and our environment for a cleaner, healthier, economically stronger Michigan.
